

# Flood Ease

## Flood Restoration Odor Neutralizer

### Description

Flood Ease is a highly effective odor neutralizer and flood restoration product. The active ingredients in Flood Ease quickly attack odors and the organic matter that cause them, leaving surfaces, fabrics, and carpeting odor free. This product is essential for use in situations of flooding caused by grey water or white water spills. A blend of 3 individual odor counteractants has been incorporated for the most effective neutralization possible.

### Directions for Use

To neutralize odors on surfaces and carpets, clean all surfaces prior to treatment. Apply Flood Ease to area until thoroughly wet. Area should remain wet for at least 10 minutes. Apply with an electric sprayer or fogger for best results using proper respiratory equipment and protective clothing.

Product should be used as is to both porous and non-porous surfaces. It is not recommended that Flood Ease be mixed with other chemicals.

### Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Features & Benefits

- Easy, Ready to Use Formulation
- Completely neutralizes foul and non-septic odors
- Leaves surfaces and carpets in a sanitary state
- This is a tri-blend of powerful odor counteractants

### Specifications

Appearance:	Clear Liquid
Odor:	Spring Fresh
PH	Neutral
Specific Gravity:	1.01

### Dilution

Ready to Use

### Available Sizes

Case/ 4x1 gallon: Item # H232504  
Pail / 5 gallon : Item # H232505  
Drum / 55 gallon : Item # H232506
