

# Spin Clean Plus

High Solvent Bonnet Shampoo

**Carpet Care**

## Description

This product has been specifically formulated for superior cleaning in bonnet applications. This product is a low foaming, high solvent shampoo for the use in rotary or bonnet applications. Because this product is low foaming, users will find that decreased drying time is beneficial in easy and quick removal of this product. The high solvent content also allows for quick drying and instantaneously breaks down grease, dirt, oils, food residues, and many other stains from carpeting and rugs. Spin Clean Plus provides a thorough cleaning combination and prevents redeposition of particulate, which causes discoloration and the break down in strength of fibers. This product dries freely and completely and is 100% safe and biodegradable.

## Directions for Use

For general cleaning of carpeting in hotels, motels, schools, hospitals, and homes, use 6-8 ounces per gallon of water and apply with a bonnet/brush, bonnet pad, or may be sprayed ahead of equipment using a pump type sprayer. Pay attention to carpet manufacturers general cleaning guidelines to retain carpet quality and any warranty in effect. This product is not for use in dry foam extractors.

## Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

## Features & Benefits

- Contains no cationic or anionic agents
- Dries Quickly
- Quickly breaks down greasy soils
- Low foaming for easy removal
- For use in rotary or bonnet applications
- 100% biodegradable

## Specifications

Appearance:	Clear Liquid
Odor:	Citrus
PH:	10 - 11
Specific Gravity:	1.01
Detergency:	Excellent
Biodegradable:	Yes

## Dilution

Light Soil.....	1:21 (6 ounces / gallon)
Medium Soil.....	1:16 (8 ounces / gallon)

## Available Sizes

- Case/ 4x1 gallon : Item # 148604
- Pail / 5 gallon : Item # 148605
- Drum / 55 gallon : Item # 148606
