

Carpet Care

Heavy Duty Liquid

Industrial Strength Extraction

Description

A pleasantly scented organic carpet detergent, which is designed to be equally effective in hot or cold water. This heavy-duty liquid formulation is for use in standard water extraction carpet cleaning equipment. It breaks down tough dirt and grime, and can also be used in truck-mounted equipment. Contains complex surfactants and organic solvents, which make it effective on natural and synthetic fibers. It is highly concentrated for effective cleaning in hotels, motels, schools, hospitals, and homes.

Directions for Use

For general cleaning use approximately 1-2 ounces per 3 gallons of hot water. Truck mounted systems should use 1 quart per 5 gallon holding tank. Adjust meter in accordance to desired results. Always follow manufacturer's general cleaning guidelines to retain quality of goods.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Economical - High dilution
- Controlled suds
- Quick emulsification of dirt, grease and oil
- Prevents redeposition of soil
- Rinses freely
- Acceptable to use on 5th Generation carpeting
- Contains special water softeners to enhance cleaning

Specifications

Appearance:	Yellow Liquid
Odor:	Citrus
PH	11 - 12
Specific Gravity:	1.03
Detergency:	Excellent
Biodegradable:	Yes

Dilution

General Cleaning.....	1:192 (2 ounces / 3 gallons)
Truck Mount.....	1:20 (32 ounces / 5 gallons)

Available Sizes

Case/ 4x1 gallon: Item # 10204
