

## **POWERHOUSE LOW FOAM**

### **DESCRIPTION**

This product is a heavy duty multi-purpose low foam cleaner and degreaser effective on the most stubborn soils found in and around kitchens, manufacturing plants, power plants, automotive repair shops, printing plants, and warehouses.

### **INSTRUCTIONS**

Do not allow this product to dry on glass, plastic or soft metals to prevent possible etching or pitting. Rinse these surfaces thoroughly after cleaning. These recommended dilutions are intended to be guidelines only. Actual dilutions needed will be determined by soil conditions and cleaning methods. Floors: Light cleaning cut 1-100; Medium soil 1-64; Heavy soil and stripping use 1-4 to 1-15 dilution. Concrete: Use 1-4 to 1-20 dilution. Painted Surfaces: Use 1-10 to 1-20 dilution. Chinery & Equipment: Use 1-4 to 1-10 dilution. Concentrate not safe on painted surfaces and soft metals due to high alkalinity.

### **FEATURES**
