

Premium Olefin Prespray

Prespray designed for use on Olefin Carpet

Carpet Care

Description

Premium Olefin Pre-spray is a Traffic lane cleaner designed specially to clean olefin (polypropylene) carpets. Its formulation of surfactant and builders removes oily and particulate soils, which are strongly attracted to olefin carpet fibers. Cleans deep soil, removes or reduces yellowing and discoloration caused by oil and soil attraction to olefin fiber.

Directions for Use

Test in an inconspicuous area. For use on olefin (polypropylene) carpets. Use only as a pre-spray, rinse well.

Mix 4oz/gal. for normal soil, up to 6 oz./gal. for heavy soil. Pre-spray, allow 5 to 15 minutes dwell time, and do not allow to dry. Rinse-extract thoroughly with Residue Rinse solution or hot water to remove oils, soil and detergent residues.

Hydro-Force application: (High Pressure 1:9 model): Add 1 1/2 quarts (for 4 oz/gal. dilution), 2 1/2 quarts (for 6 oz/gal dilution) to the Hydro-Force container, fill with water. Pre-spray and rinse-extract.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Extremely effective on Olefin Carpet
- Cleans deep into the core fiber
- Concentrated
- Excellent for traffic lanes
- Works well in hard or soft water

Specifications

Appearance:	Yellow Powder
Odor:	Lemon
PH	12 – 12.5
Specific Gravity:	1.076
Detergency:	Excellent
Biodegradable:	Yes

Dilution

Normal Soil.....	1:32 (4 ounces / gallon)
Heavy Soil.....	1:21 (6 ounces / gallon)

Available Sizes

- Case/ 4x1 gallon : Item # 230004
- Pail / 5 gallon : Item # 230005
- Drum / 55 gallon : Item # 230006
